DEDICATION

Best of Luck Harry in your future athletics at [illegible] Work hard and you'll find success Kermit C. Knowles

To a teacher whose love of sportsmanship and whose dedicated service in our behalf have placed him high in our esteem, we dedicate this book.

Administration and Faculty

Mr. Blanchard

"Progressive" is the word we like to use to describe the achievements of Mr. Blanchard, our principal for three and one-half years. Under his leadership, Pennell Institute has gone steadily forward in educational standards. He organized the Student Council, the National Honor Society and initiated a testing and guidance program. Recently Pennell was elected to membership in the New England Association of College and Secondary Schools. It is with regret that we bid him farewell. He will attend the University of Maine this spring semester where he will receive a master's degree in June. Following that he expects to study at Harvard for his doctorate. The best wishes of the student body and the faculty go with him and his family.

Sincerely,
Harry C. Brown

Mr. Brown

To the Seniors:

My sincere wish to you is that you have accomplished the goals that you have set up for yourselves while in high school. It is generally accepted that one gets out of life as much as they are willing to put into it. This, of course, is up to the individual.

We, in America, have been criticized quite severely during the last few years because Russia was surpassing us in education. Many people were upset and as a result, our science and mathematic classes have been given much thought and, no doubt, have improved.

It is my belief that we are doing a fine job in teaching ALL youth in our schools. However, I would like to point out that you young people must perhaps learn to do better in learning to think for yourselves. It isn't safe or desirable to be misled by those who are willing to think for you. We all enjoy much freedom in this wonderful country of ours. It is up to you young people to preserve our way of life.

The class of "59" is having a vigorous senior year. We have already put on several successful events, and as the year progresses we are planning more. The senior class has spent four pleasurable and productive years at Pennell and we will be sorry to leave. We wish to thank everyone who has helped us in our endeavors and has supported our projects.

IN MEMORIAM

DANIEL KENNETH WOOD

The members of the class of 1960 wish to have this page in memory of Daniel Kenneth Wood. Of the thirteen years of his life, seven of them were spent with us, his classmates. He was truly a friend to all who knew him, and his death has left a vacant spot in our class.

Our class advisor, Mr. McLaughlin, and assistant advisor, Mrs. Winton, have been of much help to us with our activities. We enjoyed working with them, and we hope they were pleased to help us.

Our Student Council representatives are Nancy Schade and Everett Babb.

In November our class held the Autumn Hop. Through the hard work of the committees it was a big success.

We were well represented in basketball with many of our boys playing. We also had five girls from our class who were chosen for cheerleading. We feel that we had a very successful year under the helpful coaching of Mr. Pecoraro and Mr. O'Malley.

The Eighth Grade is very pleased to have Mr. Pecoraro and Mr. O'Malley as our class advisors. Everyone agrees that they are very helpful and understanding.

The year 1958-59 has proved to be a very successful and active one for Pennell's Student Council. Mr. Blanchard was our advisor in '58, and Mr. Brown in '59. The council would like to thank them for all their help and guidance.

To a boy who deserves the very best of everything. May you always have the very best of luck. A friend always,

On October tenth the annual Freshman Reception was sponsored by the Sophomores. At seven the Freshmen appeared dressed in odd clothing and plastered with lipstick. They performed stunts as the Sophomores directed. At eight o'clock a record hop was held with Ken Garland as Disc Jockey. This was enjoyed by all and was very profitable to the Sophomores.

PLAY

Fred Skillings does the make-up for the play. Here he works on Charlie Humphrey and Richard Sawyer.

The High Lama reveals to Conway the mystery of Shangri-La. Charlie Humphrey and Arthur Thurlow.

Lost Horizon was a play that told the story of a lamasery or monastary called Shangri-La and the experience that four people from the outside world had when they were brought to it. Shangri-La is an almost utopian society. The people who populate the lamasery and the valley below live far beyond the normal life span and because of this the lamasery's founder uses Shangri-La to preserve the cultures of the civilized world from a great destructive war which he is sure will occur. Conway, Mallison, Miss Brinklow, and Barnard are brought to Shangri-La to contribute to and perpetuate the culture the High Lama hopes to preserve.

The Key Club has been doing very well this year under the management of our officers. These are some of the things we have done up to this date: We have held several Record Hops for the community and also to build up our treasury so that we can send candidates to the New England Convention held in Boston. We collected food enough for twenty-six food baskets for the needy people of Gray at Christmas time. We held a Big Deer Contest last fall and presented a 22 caliber rifle to the winner. We conducted all home cross-country meets and we assisted the Kiwanis in building the skating rink for the community.

The Pennell Track team had a good season in 1958. We were in two dual meets and the Triple C championship meet. We won our first dual meet from N. Y. A. 49 to 40. We lost our second to Oxford 48 to 41. We were fourth in the Triple C with 21.5 points. Steve Ross' track shoes scored 8 points--Ross wore them in his winning high jump effort, Stan Wilbur took third in the 880 in them, and Bill Liberty took fourth in the 220. George Durgin won a startling first in the broad jump and Bernard Ducy managed a first place tie in the pole vault. Morris Beal and Gordon Leavitt in the discus finished out the Pennell scoring.

RIFLE TEAM

The Rifle Team started off this year a solid favorite to win the state championship in the second division for the second consecutive year. Because of last year's record and our flashing start this year, we won two and lost none. Our match manager placed our team in division one. This division contains the higher bracket of teams in the state. This division includes such schools as, Bangor High, Waterville High, Morse High, and several others. Actually, the only team that defeated us was Morse High by a score of 907 to 918. As you can see certainly a close margin. Our official season is now over, and we are preparing for the N. R. A. (NATIONAL RIFLE ASSOCIATION) tournament at Fort Williams to be shot the last Saturday of February and the first Sunday in March.
